

Dear Parents/Carers,

We come to the end of another week and now it is March!

It has been a really difficult week, as I know most of you will be aware, for attendance. The children appear to have some sort of cold/flu virus with a cough. It has massively impacted the school and I know the children have been really quite poorly. I do hope that we have weathered this storm now and the virus is going away. It seems to be doing the rounds in lots of schools and I have just been instructed to inform you to keep an eye on your children for spiking a temperature.

The rest of Y6 went to the cyber-bullying court case this week and met a real life judge. It was a fabulous trip and very well led by the team there. Well done, Y6.

Y2 led us in a wonderful assembly this week on Forgiveness.

Next **TUESDAY 5<sup>th</sup> MARCH** we will 'snuggle up with a book for our **World Book Day Celebration**. The children can come in school in their pyjamas and enjoy celebrating all things to do with reading on that day.

**Parents/Carers' Evening is next Wednesday 6<sup>th</sup> March.** Please sign up on Arbor. Any problems then please contact the office.

The Prayer Leaders led us in a quiet reflection on Tuesday and they will lead us in another time for prayer on **Friday 15<sup>th</sup> March at 2.45pm**. All are welcome for some time to be still in the presence of the Lord this Lent.
