

8th November 2024

Dear Parents and Carers,

Thank you to the staff for the disco and creative activities on Wednesday after school.
A good time was had by all!

Nasal Flu Vaccine – these will be administered on **Monday 11th November**.

Show Racism the Red Card – our week of highlighting this very serious topic fits in with Anti-Bullying week.

It is all of our duty as parents and school staff to ensure that our children understand bullying in every form and how it makes people feel and the consequences of bullying.

We will work on this next week.

Online Safety Workshop – our children need to be safe online and here is the information regarding a parent workshop.

Monday 18th November - 6-7pm

- https://smoothwall.zoom.us/webinar/register/WN_oG9O_7ATRXC_wHtruLLtkg

The Mini Vinnies have decided that we will have an own clothes day with ‘just out of bed hair’ next Friday 15th November for the Lovely Hearts School in Cambodia.

A coin donation will be collected and we will send the money to them.

Please support our children as they try to support others less fortunate than themselves.

With prayers for a lovely weekend,

Sarah Yates
Headteacher
