

WEEK 1 – 27th Mar 20

Dear Parents and Carers,

As we end week one, in these very difficult and strange times, I do hope that you are all keeping well.

I know that the children staying in and doing learning at home will at times be wonderful and at other times not!

Please be kind to yourselves and try not to worry - If we are sending through too much work then please pick and choose what you would like to do. None of us were prepared for the last week and we are all learning and adjusting daily. I appreciate sometimes links won't work and relying on the internet can be tricky. If the children can read every day and do some number work (appropriate to their age and stage) and learn through whatever you want to teach them be it music,art or gardening then all is relevant and fine!

We will catch up and do what we need to do as a staff and parent team when we return to school.

Please have a break this weekend and as the clocks go forward then we will start a new week ready to work together once again.

Many thanks to the staff who are all working together in teams to keep the school open and many thanks to you for supporting us.

Please watch Pope Francis tonight and pray together at 5pm for our world.

You are all certainly in my thoughts and prayers,

Sarah Yates
Headteacher

St. Aidan's Catholic Primary School
