

## WEEK 7 – 7<sup>th</sup> May

Dear Parents and Carers,

I hope this message finds you well.

### **Website**

Work has been posted on the website class pages for the next two weeks or so. I am aware that it is difficult to keep on top of everything. We will continue to post work on the class pages but please do as much as you can and try not to worry if the children and yourselves are finding it harder. I know that I have said this before but a little reading/phonics and number work will keep things going until we return.

### **Return to school**

We all await further information on Sunday regarding the next phase of lockdown. As soon as I know more and have a plan I will let you know how we will proceed and what this means for you and your children.

I have attached some information regarding sleep and also some food information that may help in these difficult times.

### **VE Day**

If we had been in school we would have celebrated this special occasion and looked back at how our communities lived and coped at this time. School is closed tomorrow for the Bank Holiday and I know that there will be very subdued celebrations. I do hope that the sun shines on you and you can have a good day with your families.

Many thanks to the parents and children involved in the video message. This was very much appreciated and we do miss all of you too. It made me cry! Your support at this time has been tremendous.

The Pope has asked us to pray the Rosary in this month of May as it is dedicated to Our Lady. Please pray for all of our community at this time.

With prayers,

**Sarah Yates  
Headteacher**
