

School Reopening Opinion 14th May 20

Dear Parents and Carers,

I am writing to you to ask your opinion on whether you would be happy to send your child to school if we reopen for a phased return in June.

I am currently in the process of writing Risk Assessments and an Action Plan and I do think it is very important that I know your feelings about the situation. Your opinions are very important to this plan and I will share my plans with you as they are formulated. I am not yet certain what a **phased return** will look like as it is dependent upon space and available staffing etc

I am going to send you a **text message** and if you could just reply **today** answering **Yes** or **No** then I can get an idea of your thoughts at this moment in time. I will not hold you to your initial answer today as you can obviously change your mind the nearer we get to the proposed date. I would just like a general idea for now.

Many thanks for your support and please do reply to the text message so that I understand how you are feeling.

With prayers,

**Sarah Yates
