

HOW TO LOGIN TO YOUR NEW MYON READING RESOURCE

Dear Parents/Carers,

We have purchased a great new online reading resource for all our children to use at home.

It has age-appropriate books to read for all age groups. Your child will be asked to select some of their favourite types of books and each book comes with a follow up quiz to test reading comprehension. There are nearly one thousand books on the website so a child should never run out of reading material. Your child's teacher will also be able to view your child's reading record.

The website is www.myon.co.uk how to access the username and password for your child to be able to access the service is as below:

Your child's Username is the (Capital)**First Initial (space)** (Capital first Letter)**Last name**.

Example: User Name **M Hampson**
Password is **ABC**.

Please note there are some children who have the same First Initial and Last name therefore if your login does not work in this way please follow the second instructions below:

Your child's Username is the (Capital)**First Initial (lowercase)second letter (space)** (Capital first Letter)**Last name**.

Example: User Name **Mi Hampson**
Password is **ABC**.

I hope you all will enjoy using the site and would welcome any feedback.

I look forward to seeing you all again soon.

Take care and keep safe,
