

Dear Parents and Carers,

Another week ends. I hope that you and yours are keeping well and coping in the heat.

Work Packs

These will be available for collection on **Monday 29th and Tuesday 30th June** between 10 and 2.30pm at the Lawton Moor Road gate. **Please wait at the gate and we will bring the pack to you.** Once again if you are unable to collect, then the packs will be posted out to you.

Update on classes and wider opening

Unfortunately we will not be able to open up any more groups for the children over the next three weeks. This is due to staffing availability for the groups. In light of this, every child that has not attended school will have a **phone call** over the next few weeks from a member of staff. This phone call is just to catch up with you and your family and see how you all are before school closes for the Summer.

The Government is stating that all children will be back in September. Once the details are made available to me of how to plan for this (guidance is due this week/next week) then I will of course keep you informed as to what September will look like for all of us.

End of Year Reports will be available in the last week (Week beginning 13th July)

I wish you all a happy feast of Saint Peter and Paul on Sunday.

With prayers,

Sarah Yates
