

Dear Parents and Carers,

The sun is shining this morning as I write this to you which is a change! I hope that you and yours are all keeping well.

I am in the process of writing the Risk Assessments for September - all information regarding new routines etc will be sent to you before we finish next Friday. I am trying to keep the new protocols as straightforward as possible. I will do my very best so that we can all get on and off site quickly and safely.

Thank you for collecting the work packs. All work on the website/ weblinks and the packs should keep the children going until next Friday. If you have not yet received your pack it was posted yesterday.

End of Year Reports will be available for collection from school from **Wednesday 15th July at 9.30am**. If you are unable to collect them then they will be posted out on Friday 17th July when we finish.

Y6 will receive a separate email for when they can collect their reports, books, Leavers' Hoodies and gifts!

Manchester LA, this week, have agreed further **Training Days** for staff next year in light of the current circumstances.

In order to make sure that the staff are ready for all the new protocols and have been trained in the new safeguarding and safety measures then school will now reopen for **children** on **THURSDAY 3rd September**.

As I end the email it is now raining!

Many thanks for your support.

With prayers,

Sarah Yates
