13<sup>th</sup> January 2021

Dear Parents and Carers of Key Workers,

**A few reminders in light of increasing numbers of infections and concerns for safety on our site.**

You **must** wear a mask/face covering on site unless you have an exemption (I should be aware if this is the case)

School starts for **everyone at 8.45am** – please be on time.

You must leave the site swiftly and I ask you to not walk off site in groups chatting to each other. ***We must obey the current restrictions which are to not engage with others that are not in our household.*** I know it appears a little confusing as the children are at school together but for the safety of all on this site ( pupils, staff and yourselves) then you must leave the site in a **socially distanced manner from others.**

Once again, to reiterate, if you do not need to use the childcare on any day as you are at home (or your circumstances for work change) then your child should be at home with you. ***It is clearly the safest place for your child at this current time.***

***If you, or any of your family members have symptoms then you must follow the usual protocols which is to inform school, get a test and then let us know as soon as you receive the result.***

Many thanks for your support.

With prayers,

Sarah Yates

Head Teacher
